MEMBERSHIP AND BAPTISM AT TRINITY

At Church of The Trinity, we're not terribly fussed about "official" stuff... If you consider yourself a part of us, we do too!

However, sometimes and for a variety of reasons, it's good to become "official" - like, for example, if you'd like to be a member of Church Council or Elders... or just because being an "official" member might be a significant rite of passage for you...

So... if you're NOT an official **Member** and would like to become one by transfer from your previous congregation or as a completely new member, please have a chat with Sue or John Pratt. You can also be a "**Member in Association**" which means you keep your previous denominational affiliation and become "associated" with the Uniting Church through Trinity.

AND... more importantly... if you've never been **baptised** (which is the sacrament all churches celebrate to welcome new Christians) you might like to chat to Sue about that. **Baptism** is a wonderful and significant moment for the person being baptised, for family members and for the whole church community. We'd be honoured and delighted to celebrate your Baptism with you.
