Communion , Holy Communion, The Lord's Supper, Eucharist

At Church of The Trinity, we have an open table
which means that we will not exclude anyone who
would like to participate.

In keeping with our desire to be inclusive, we choose to use grape
juice in individual glasses. The bread is usually eaten as you
receive it and the "wine" held until all are served and we drink
together.

We believe that children are as much a part of the community of faith
as anyone and therefore we offer them the elements as well.

The Elders have considered our children's involvement in serving
Communion. It's great that our children show so much enthusiasm
and we want to continue to welcome and encourage their inclusion
and involvement. So, each Elder may be accompanied by one child
when serving Communion elements and gathering up empty glasses.
