All our celebrating.
Fill us with your love,
Healing and forgiving;
Then, in us living,
Show our love your way.

CARING FOR ONE ANOTHER

For many years here at CoTT we have had a 'system' of caring for each other. This has been facilitated by the Elders. Currently the Elders are reviewing our caring and Sue has devised a (very brief) questionnaire to help in the process. Please take a few minutes to complete the form, copies of which will be available for the next few weeks.

Communion , Holy Communion, The Lord's Supper, Eucharist

At Church of The Trinity, we have an open table which means that we will not exclude anyone who would like to participate.

In keeping with our desire to be inclusive, we choose to use grape juice in individual glasses. The bread is usually eaten as you receive it and the "wine" held until all are served and we drink together. There is gluten-free bread available.

We believe that children are as much a part of the community of faith as anyone and therefore we offer them the elements as well.

The Elders have considered our children's involvement in serving Communion. It's great that our children show so much enthusiasm and we want to continue to welcome and encourage their inclusion and involvement. So, each Elder may be accompanied by one child when serving Communion elements and gathering up empty glasses.
